***Bascom health and safety guidelines:**

- Employees will conduct self-screenings before entering The Bascom. The forms were sent to each staff member and there is a sign on the door reminding them to conduct a self-screening before entering and more forms in the admin office.
- Masks or face coverings are required for everyone while on The Bascom Campus.
- New sanitizing stations have been installed at all entrances.
- Social distancing is practiced on the entire Bascom Campus.
- Only contactless payments will be accepted.
- There are separate entrances and exits and one way flow of traffic.
- Max capacity numbers follow the guidelines for each space. Currently this is 50% capacity or 6ft distance-whichever is smaller.
- All frequently used surfaces such as door knobs and railings are being disinfected with a good bleach solution and cleaned hourly. A wet spray disinfectant can be used at the end of the day if it sits for 10 minutes.
- Shifted cleaning and sanitation from an "after hours" chore to something conducted in a highly visible and reassuring manner throughout the day.
- All water fountains have been turned off.

What we ask of all visitors and vendors:

- Wear your masks or face coverings while on The Bascom Campus.
- Wash your hands frequently with soap and water and/or use the hand sanitizer regularly.
- Practice social distancing at all times.
- Do not touch your face.
- Cover your cough or sneeze, cough into a tissue, or the inside of your elbow.
- If you don't feel well, please come back when you do.
- Conduct self-screenings throughout the day – If you or someone around you exhibits symptoms of illness: fever, cough, shortness of breath, or other indicators you /they should stay home and seek medical attention.
