

## Landscape Drawing Class

Landscape art has been around as long as art itself.

This drawing course is a beginner course about drawing outside in nature.

It is designed not only for the beginner, but the artist who wants to brush up on their drawing/sketching skills.

Learn to quickly capture the atmosphere and mood of a landscape. You will learn drawing theory such as perspective, composition, values, etc. You will be introduced and experiment with the materials required to produce quick sketches as well as finished detailed drawings. This is also the perfect course to hone your drawing skills to enhance your painting.
